BOC meeting tomorrow. Suggested topics for discussion at the BOC meeting are expected to include:

2016 Budget and Special items/projects review/discuss.

Request meeting with BOC on monthly for expense bills for approval.

Request a written report from Cade, Water Master.

Request to make application for credit card for Cade with an expense maximum.

Re: Raise for Cade – Need job description, performance evaluation,

Recommend to BOC that D45 be involved in check signing.

**Dir. White:** Requested that the D45 representatives encourage BOC to have Cade attend regular meetings of both the TID and D45 boards.

**Secretary's Report:**

- a. Mr. Spinelli is still looking for a permanent home for the district office.

**Treasurer's Report:**

- a. Mrs. Spinelli explained the accounts payables.
- b. There is a check from TID paying money owed to us, deducting some payroll expenses to us in the balance. This may be a co-mingling of funds. Mrs. Spinelli is directed to send the check back and ask for an actual expense invoice, and we will pay our actual expense back to them.

**7. NEW BUSINESS:**

**Mr. Super:**

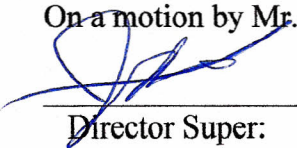

- a. Reported that the Secretary, after consultation with Attorney Waldera, had verified that the Nominating Petitions for Mr. Sawrey (Div. 3) and Mr. White (Div. 1) contained sufficient signatures and that no other petitions had been received. Mr. Super then announced that in accordance with Title 43, Irrigation Districts, Chapter 2, Election of Directors, 43-201A, Dir. Super announced that Mr. Sawrey was elected as Director, to represent Div. 3, and Mr. White was elected as Director, to represent Div. 1.
- b. A request to build a diversion point on Judy Grigsby's property was presented for review. There was a question as to who approves this type of application D45 or BOC? Mr. Super said that there is no process he is aware of at this time. Mr. Sawrey recommended that he take it to the BOC for review. A motion was made and approved to do this.
- c. The Board then evaluated the assessment model for 2016. Mr. Super explained that the current model is based on rights held, priority dates, and average use for 6 years. There was discussion regarding Cove Ranch. It was recommended that the directors investigate further details and communicate by email and that the final consideration of the assessment for 2016 water year may need to be addressed at a Special Meeting.
