

NO. 40579.

WHEREAS, on the first day of September, 1917, the Utah & Idaho Improvement Company, a Corporation, George E. Cahoon, John Boyd Cahoon and Vera Cahoon, his wife, did by deed convey to the Wood River Valley Irrigation District, a corporation, the right and privilege to enlarge a certain canal running through the following described lands, known as the Utah & Idaho Improvement Company canal, conveying water from Wood River from a point in the southwest quarter of the Northwest quarter of Section Thirty six, Township Two North of Range Eighteen East, Boise Meridian, and running in a general southeasterly direction to a point on the Base line as established by U. S. Survey, just west of the center of the South line of Section thirty three in Township One North of Range Nineteen East, Boise Meridian, and also the right and privilege to construct laterals from said canal over and upon lands owned by the grantors in said deed in Section 24, Township One North of Range 18 E.B. M., and in Sections 19, 20, 28, 29, 30, 32, and 33 in Township One North of Range 19 E.B.M., of sufficient size and capacity to properly distribute the water for the irrigation of the said lands in said Irrigation District, Provided, however, any enlargements, new ditches, or laterals made through, or across said lands shall be constructed to do as little injury as possible, and laterals to be run along legal subdivisions where practicable, and any proposed new laterals or ditches shall be established by stakes and survey within one year from the said first day of September, 1917.;

NOW, THEREFORE, in pursuance to the terms and conditions of said deed the Wood River Valley Irrigation District does hereby notify the grantors in said former deed, and all claiming by, through, or under them, that in exercising the rights and privileges so deeded to it: as aforesaid, and as hereinabove recited, it has caused to be established and staked the following described laterals, ditches, canals, and rights of way on said lands, to-wit:
