RIGHT-OF-ENTRY

The owner of the property identified and depicted on Exhibit A, attached hereto, and incorporated herein, does hereby grant to the United States of America, through the Bureau of Reclamation, its employees, agents, contractors and subcontractors thereof, the right of access across and upon said property.

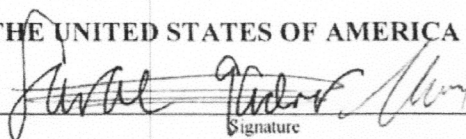

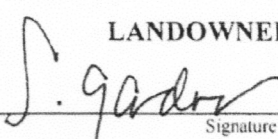

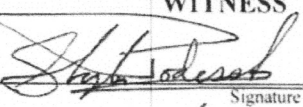

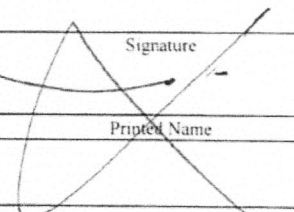

The term of this Right-of-Entry shall be for a period from April 1, 2023 to October 31, 2024, unless sooner terminated upon the request of either party. Requests can be oral or written; however, if oral, written notification will be served upon the other party within 3 days.

Reclamation shall not cause contamination of lands, waters or facilities of the landowner by hazardous materials, thermal pollution, refuse, garbage, sewage, waste, petroleum products, salts, or pesticides.

The United States shall be liable for any and all damages to the property or interests of the landowner by reason of the exercise of the rights and privileges given under this Right-of-Entry and shall be promptly corrected by Reclamation.

It is fully understood that this Right-of-Entry is not an obligation for Reclamation to perform maintenance or upkeep of the existing routes across said property.

In witness whereof, the parties have hereunto subscribed their names as of the dates noted below.
